

Size: 16'-0" x 36'-0"

Project Duration: 10 weeks

Project Information:

Our client secured a prominent border-crossing location for his currency exchange business. This ideal site would include 400 square feet of convenience store display area combined with a secure currency exchange/cashier counter. A eye-catching prestigious appearance was top priority.

Features:

- Silver-Metallic/Blue Aluminum Cladding system is modern and attractive.
- A high fascia/parapet/sign-band provides a bold commercial appearance and hides all roof top services.
- Upper blue clad fascia includes built-in laser-cut signs with backlighting.
- A secure interior pay-partition protects attendant and currency.
- Customer and Attendant areas have central heating and air conditioning.
- Floor construction is steel and concrete with 12"x12" ceramic tile finish.
- Spandrel glass panels give solid walls an exterior window appearance.
